## Terms and Conditions

- I. To qualify for a cool roof rebate, participants must:
  - a. Be a current SRP non-residential electric customer.
  - b. Enter into a cool roof contract between June 9, 2008 and April 30, 2009 and install the cool roof system.
  - c. The existing roof will have a solar reflective index of 75 or less.
  - d. The replacement roof will have a solar reflective index of 100 or greater
  - e. Allow SRP to review the cool roof to verify compliance with all rebate program requirements.
  - f. Allow SRP to evaluate the existing roof and the finished cool roof.
2. The rebate will be \$0.05/sq ft of air conditioned roof area, up to a maximum of \$5,000 per customer.
3. Failure to provide any of the required information, including signatures, forms, or other requested documentation will result in the return of the Rebate Application.
4. SRP reserves the right to review the cool roof and savings calculations for compliance with program requirements. If selected for review, the rebate will be withheld pending the outcome of the analysis. If the project is found in compliance, the rebate will be paid. If the project is not in compliance, the customer will be notified. To qualify for the rebate, the customer is responsible for negotiating with the roofing firm to bring the project into compliance. A second review utilizing SRP inspectors must be completed. SRP will process the application after receiving the revised documentation.
5. One rebate check will be issued per approved application to the business listed on the SRP account.
6. Customers will be limited to \$5,000 in rebates for measures installed and approved by April 30, 2009 through the PowerWise Cool Roof Business Solutions program, and an overall rebate cap of \$75,000 per customer from participation in all energy efficiency programs offered by SRP.
7. SRP makes no representations and provides no warranty or guaranty with respect to the design, manufacture, construction, safety, performance or effectiveness of the newly installed equipment, including any warranties of merchantability or fitness for a particular purpose. Responsibility for delivery and workmanship related to any equipment or services the customer procures exclusively rests with the contractor or retailer selected by the customer. SRP assumes no responsibility for oversight of contractor services.
8. Program procedures, requirements, and rebate levels are subject to change or cancellation without notice.
9. The terms and conditions set forth herein constitute a complete statement of the Terms and Conditions applicable to this promotion, and supersede all prior representations or understandings, whether written or oral. SRP shall not be bound by or be liable for any statement, representation, promise, inducement or understanding of any kind that is not set forth herein. SRP reserves the right to change or cancel this promotion or its terms and conditions at any time.

By signing below, applicant acknowledges and agrees that:
